OFFICIAL YEARBOOK OF 1967-68
VICTORIA COMPOSITE HIGH SCHOOL
EDMONTON ALBERTA CANADA

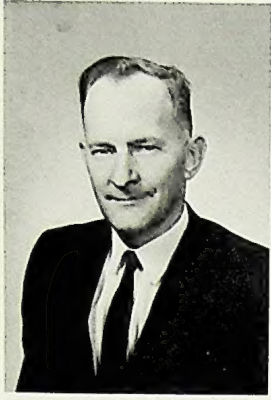

This volume of the VICTORIAN is dedicated to the students of Vic and to the teachers and administration. They fill these pages, which form a permanent record of the life of our school and of the experiences that we have shared and will always remember.

VIC'S CHIEF CHEF

the **Bay**

Since the granting of the Hudson's Bay Company's charter in 1670, traders, seamen and adventurers of the Company helped to shape the history of Canada. Since the establishment of the Bay's first department stores — Winnipeg in 1881 and Edmonton in 1890 — the Bay has progressed with the country. Now, as in the past, the Bay continues to serve Canadians with foresight and integrity. Your satisfaction is assured when you shop at the Bay.

May we suggest a
Save-for-the-Little-Things-
you-might-otherwise-never-buy Account?

Forget about the travel.

Forget about the pay.

Forget about the long
vacation.

And forget about
the great people.

Just think
about the
education.

If you're 16 to 20, with a Jr. or Sr. Matriculation, the Canadian Armed Forces Regular Officer's Training Plan offers you a college education and a career, too. After four years of academic and military training you graduate with an academic degree in Arts, Science or Engineering, *and* an officer's commission. You get some nice extras in the ROTP: an opportunity to travel, one month's vacation with pay, and the chance to meet great people.

If you're interested in an education, a rewarding career, and marvelous benefits, write today to:

PRINCIPAL'S MESSAGE

1967-68 at Victoria Composite High School has been marked by many worthwhile accomplishments by the students and the student organizations. The necessary money was raised for completion of the Centennial Park project, a second successful blood donor clinic was held, successful school publications were distributed, money was raised for the Heart Fund (a project in which students and staff co-operated), various successes in sports activities were achieved, and finally, several thousand students have successfully completed another school year.

The items mentioned above give ample evidence of a developing social conscience among our students. The interest taken in group discussions and in listening to guest speakers is further evidence of a developing awareness of world problems which are in this space age "everyman's problems". I quote from a centennial booklet:

"We have children growing still with all doors

closed to them; the doors must open. We have ignorant men who know no hope in life; ignorance must go. We have the power to make the hope of health — the equal hope of health — a right for all. This also we must do, that men fulfilled may look with lives enriched to newer skies."

This quote delineates the problems that you as the leaders of the future must strive to solve. These are the problems which you are now preparing, and for which you must continue to prepare; if you are to deal with them successfully. I can only wish you well and pray that you will have the knowledge, the judgement, and the goodwill necessary for the tasks ahead.

Congratulations to the graduates, and remember education is a life-long process. Best wishes to those students who will return next year for another "successful year"; and finally, a heartfelt thank you to all who so ably assisted in making 1967-68 a good year at Vic.

Alberta...

where opportunities are a whole lot better!

Alberta is a veritable "powerhouse" of natural resources . . . 89% of Canada's petroleum reserves . . . 80% of her natural gas and 50% of her coal are to be found in our province. That's something to consider . . . because abundant natural resources provide a solid base for growth . . . a natural stimulant to industrial and commercial development.

We know . . . we've been here since 1923!

Most children and teenagers like rock and roll. We at CHQT don't play rock and roll but we respect your musical tastes.

When most young people reach 20, they find that their tastes change. They like folk music, jazz, and other forms of music played by us at CHQT. When you reach this stage in life, we invite you to join us at 1110 on your dial.

By the way, right now, whether you're 14 or 16, or older, you'll like our "Folk Festival", Saturdays at 8:00 P.M. It's almost better than rock.

STUDENT GOVERNMENT AND CLUBS

PRESIDENT'S MESSAGE

Another year has come and gone and so another year has been added to the history of Vic and to my life. For both, it has been a very good year; for both, it has been a year of many new experiences.

These began when wild cannibals welcomed the Frosh to our hallowed halls. The restless natives soon became engrossed in selling lots and lots of chocolate-covered almonds to finance our Centennial Park. Who can forget strolling by Chocolate Central and catching a whiff of five hundred cases of chocolates? Very special thanks go to Mr. Thurston (so graciously welcomed at Frosh Court) and to his drama department for the new THEATRE BESIDE and TEA HOUSE OF THE AUGUST MOON. The opportunity for Vicites to show that they really care came during the Heart Beat Marathon. With great pleasure, we presented a check for

\$621.99 to the President of the Alberta Heart Foundation.

A school year is only as good as the students make it and you have made this year very special for me. Thank you. You have helped me learn about people and about myself. I have really enjoyed working with the executive, the Students' Council, and the staff. To them I owe a great deal. I feel very confident that those of you who are returning will make next year even better.

"You are now becoming what you always will be." I hope that your passing through Vic will help you become a very successful person. To say 'good-bye' would be to say we shall never meet again.

And so. . .

Farewell, Vic.

PENNY DAY

In November of 1967, the students of Victoria Composite High School went all out in support of Mr. G. Roy Edward's Centennial project, which was to raise 25,000 pennies for the Kinsmen Club Christmas Seal Tuberculosis Campaign. Victoria Composite had a penny day in order to help Mr. Edward's Centennial project. The students were very enthusiastic and over 12,000 pennies were collected. The money was "hauled" over, in a wash tub, to Roy the barber's establishment, with an accompanying crowd of spirited students.

To show his appreciation for Vic support, Roy presented the school with an inscribed plaque, which hangs in the main rotunda at Vic.

HEART-BEAT MARATHON

Students and teachers got the beat and walked or ran for the Heart Fund. Each student and teacher gathered sponsors for each lap he walked or ran around the gym. Mr. Peltier and Miss Jensen, who walked three-legged, brought in \$72 and Michael Janis, a grade 11 student, brought in \$28, the largest amounts for individual walkers. Total receipts for the Heart Foundation reached \$622.

Mr. Kelcher of the Alberta Heart Foundation accepted the cheque for that amount at Vic annual outdoor soc hop, May 9.

CENTENNIAL

FINE ARTS BAZAAR

The Centennial Christmas Bazaar was the bang-up ending to the school's Centennial activities and fund-raising projects for the Park. The Bazaar displayed the work and creation of many vocational and technical courses. Items on sale for students and teachers varied from pottery and paintings to Christmas-tree stands and metal garbage containers. The Bazaar was a first for Vic and a tremendous success, adding close to \$300 to the Centennial Park Fund.

PARK

CHOCOLATE SALES

Vic's Centennial Park received a necessary financial boost by an all-out effort on "chocolate-covered almond" sales in November. Chocolate Central teamed with excitement as Vicites joined forces to sell over 1,100 boxes of candy.

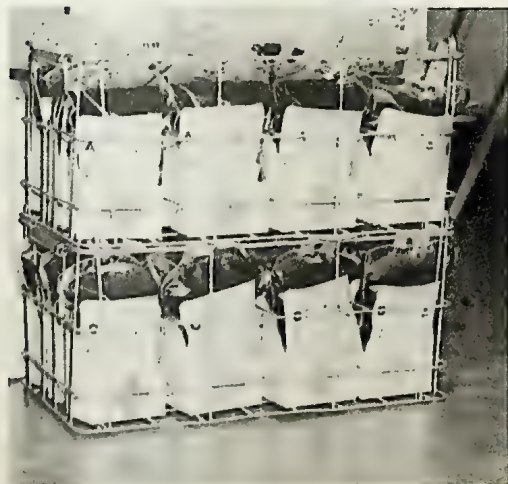

Aside from many pounds gained and nearly \$4,000 realized, it was fun!

THE BLEED-IN

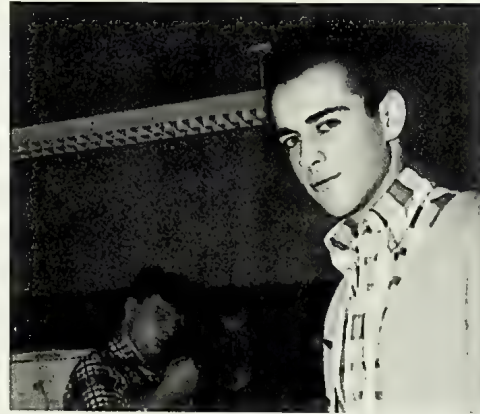

In Vic's second annual Blood-Donor Clinic, the teachers, with a narrow 21.6% to 20.2% victory over the students, took the prized Blood Cup away from last year's champs, the caretakers. The three groups bled a total of 388 pints in Vic's archery room turned clinic and recovery room. For many first-time donors, the experience was a little frightening but very rewarding. While regaining their strength and realizing that giving blood was not such a terrifying ordeal after all, the donors chatted over cookies and coke supplied by the Red Cross. Accepting about twelve donors per fifteen minutes, the nurses and Vicites who assisted with registering, packaging the blood, and helping at bedsides spent a busy three days. The response was terrific and the Red Cross was pleased to add so many new donors to their files.

About the Play

TEAHOUSE OF THE AUGUST MOON

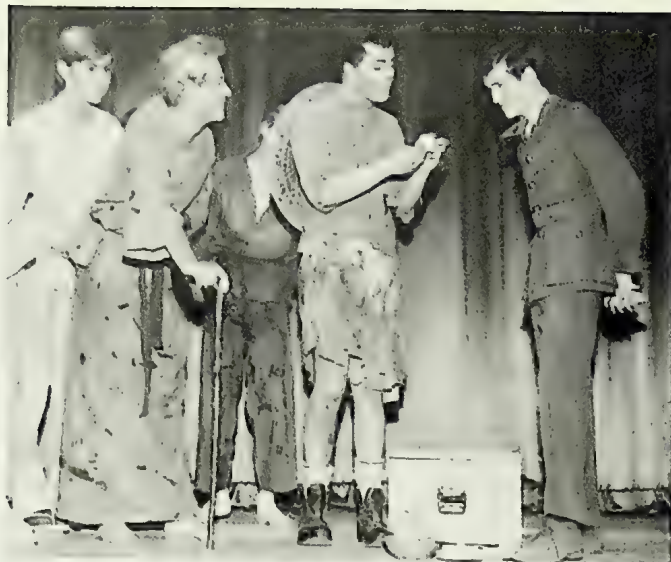

is an enchanting play about an army captain transferred to Okinawa, Japan. He is sent to a small village of Tobiki to teach the villagers the meaning of democracy. The captain becomes involved in the simple and beautiful life of these villagers. This creates a delightful and funny situation when he fulfills their wish to build a teahouse instead of the school he was supposed to erect. The captain also puts the village on the map although for a while he wishes he had never come to Tobiki.

Vic's yearplay, TEAHOUSE OF THE AUGUST MOON, produced under the direction of Mr. G. Thurston, proved to be a smashing success.

All characters were portrayed very well. The setting of the play was effectively designed by Mr. G. Dexter.

The play, presented on March 1, 2, 8, and 9, was delightfully comic and was enjoyed by all.

People bring you presents, boss!

It's all THERE in Plan B.

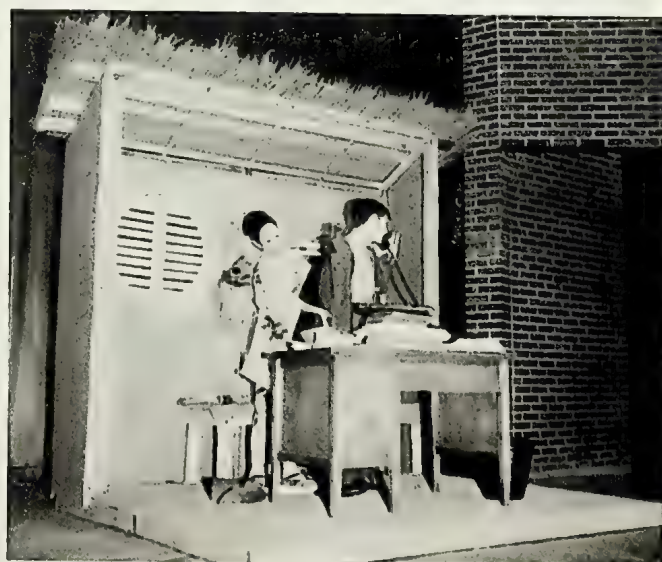

When girl give chrysanthemum bud that mean her heart is ready to unfold.

Democracy is the right to make the wrong choice.

Tell her to get off — and get off quick!

Physical education? —Sir, I consider that idea a masterpiece of timeliness.

NEWS for TEENS

No one can say that today's teens aren't "up" on the news and views — they read The Edmonton Journal.

Check the news headlines and stories to keep abreast of happenings locally and abroad . . . you'll find you're "in the know" in your crowd and you'll find you're better informed when classwork calls for background knowledge of world events.

On Friday you'll find the Teen Page of special interest, with a round-up of school news, weekly stories by high-school correspondents and regular teen features like The Scene and Teen Top Ten.

GRADUATION PRESIDENT'S MESSAGE

"He who binds to himself a Joy
Doth the winged life destroy;
But he who kisses the Joy as it flies
Lives in Eternity's sunrise."

William Blake

This poem by William Blake could very easily symbolize our high school years — a Joy which comes and goes, but is never forgotten.

Grade ten was the sunrise of our high school years. We stepped into a new world of friends, of teachers, of knowledge.

Grade eleven was the midday — half the day, half the Joy was gone. We learned more about Vic, about ourselves, about life.

"Soon the full circle will have come to pass."

This line from our Graduation theme song, *SUNRISE, SUNSET*, depicts this year. Grade twelve is the sunset of our high school years and the sunrise of the future years.

High school may have ended, but the events live on — if not in the Yearbook or Argosy, then in our minds and hearts. A Joy has come, we have lived it, and to remember it always we must bid it farewell.

I hope this year's Graduation was both a happy ending and a happy beginning.

In years to come, may every sunrise be the start of a new day, and every sunset the end of a memorable one.

A very special thank you to Mrs. Blench and all of the Grad Council. Congratulations, Grads!

VALEDICTORY ADDRESS

I would like to dwell briefly on what I think is the most important knowledge that I have gained from this graduating class — the difference between hope and wisdom.

To you teachers, hope is thinking that a student will complete his homework without having to be forced. Wisdom is knowing that a student's best effort usually results from an exterior incentive. To you parents, hope is thinking that your children will always do the right thing. Wisdom is remembering the mistakes that you made when you were our age. To us graduands, hope is thinking that if we pray hard enough, the Lord will pass our departmentals. Wisdom is knowing that the Lord might need a little help.

However distinct hope and wisdom may be, they are inseparable, for without hope there can be no ideals to strive for. Without wisdom, those ideals may never be attained. If we are unable to hope, then you parents have failed to instill in us the basis of mankind. If we are unable to give life to those hopes, then we have failed ourselves. This graduating class represents hope: hope for advancement, for betterment. We graduands will help form a new world, hopefully a better world. You parents must have enough wisdom to know that we will form a new world in our own manner using our own means. However, at this moment, that new world seems insignificant to this graduating class, and so it should. You parents still have the responsibility for fulfilling your hopes for a new world.

This is probably the last time that all of us will be gathered together at one time. This graduation is the culmination to a brotherhood, a brotherhood that may soon be split. Some of us will go to university, some to NAIT, some will start work, some will get married, but no matter what we do or where we go, this brotherhood will never be forgotten. This graduation completes our memories of high school. Please parents, let us make those memories our own memories. Trust us to form happy memories tonight and if some of us come home a little late, have the wisdom to remember that we only graduate once from high school (hopefully).

TOM BOWEN

Two groups of people are responsible for our being here today, our parents and our teachers. Our parents brought us into this world, guided our first footsteps, bandaged our scrapes and bruises, and then toted us to school, sometimes reluctantly, sometimes happily. There, the teachers took charge of us. They taught us to read, to write, and to get out of life just what we put in it. With the guidance of our parents and our teachers, we have learnt to reason. On behalf of all the graduands here today, thank you. Thank you for successfully carrying out a sometimes thankless responsibility. We know that your sincere efforts have not been in vain.

We graduands should no longer rely on our parents to guide our footsteps nor on our teachers to force us to complete our homework. Only we can decide what we want to accomplish in our lives. Only we should decide what we should do. In whatever we decide to do, may we always have the hope for something better and the wisdom to work towards it.

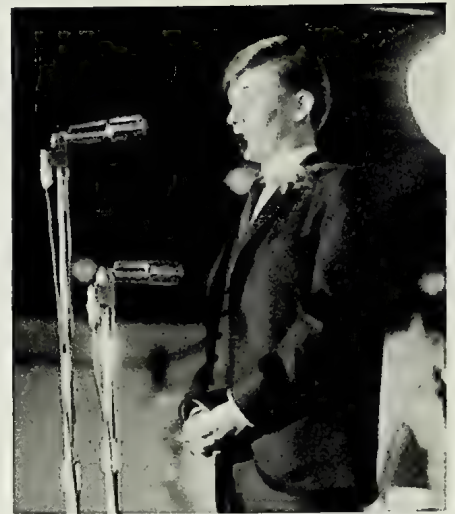

CLASS HISTORY

Madame President, Honoured Guests, Graduating Class and you guys at the third table passing around that twenty-six ounce flower pot. It is my privilege to be chosen as Vic's first Class Historian and I would like to thank the two responsible — Don Zinnick's big mouth and Wally Mosychuk's big fist.

Grade ten was a transformation from greasy hair, baggy pants and running shoes to long hair, sweat shirts and blue jeans. The first assembly of Frosh and respectable high school students was in the academic gym. As fate would have it, the mikes weren't working and the frosh activities turned into a minor riot but thanks to Bohdan Jereniuk and company, marshall law was proclaimed and things settled down in a hurry. Bohdan was here before us and he's still here with us now but his contract expires in 1972. As frosh, we were bewildered and somewhat frustrated but we all knew the importance of an education and within two weeks half of us had already registered in one of Vic's special classes — Ann's 10, 20, and 30. Some enthusiastic Voc students registered for 12/22. Grade ten was spent mainly in meeting new people and finding your way around the school.

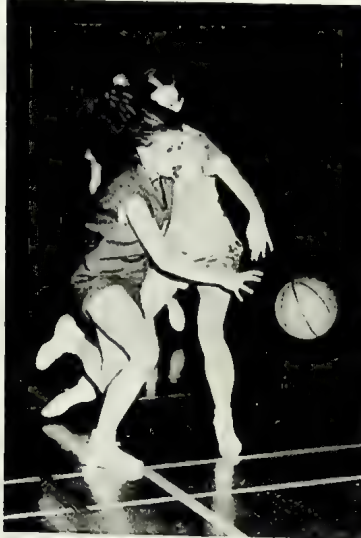

Grade eleven was the year of retribution. We were no longer lowly frosh. As the year progressed, football fever struck, and when Vic won both senior and junior city championships, some students went out later in the year and captured themselves a truck driver. Vic has always had a reputation for the first in everything and grade eleven was no exception for Vic set up the first school blood donor clinic in Canada. It was a bloody success. Inter-school sports became prominent and school spirit flourished. With Vic near the top of the list in most activities, our senior year was off on a good foot.

Grade twelve was the beginning of a new era. Mr. Karpoff, alias "chicken man", retreated to a more peaceful location, the southern United States, and Mr. Olsenberg became the new principal of the anti-smoking elite. Another oppressive member of the teaching staff was Sergeant-at-Arms, Mrs. Poulson; she scared more people with her truancy slips than did all the Indians that ever chased Custer. Mr. poohkay was with us again this year and rumour has it that he burned his retirement papers while playing his mandolin and singing, "Someone stole my Keeshka". Mr. Dean came through again this year by having his senior boys win the football championship and Allan McAuley lost his teeth with a flush at the

DON WIDYNOWSKI

victory party. This year's basketball season was as thrilling as ever and the key player who won a title on the all-city team was Jack Schwarzberg. Where is Jack? Stand up and take a bow Jack. Yeh, old Jack's got the fastest hands in the business. Isn't that right Debby? Grade twelve witnessed many projects. Vic's heartbeat marathon involved all students either as participants or sponsors in a charity drive for the heart fund and Miss Scheidegger went for a wild ride in a wheel barrow. The money for our centennial park was raised through selling chocolates. For the second year in a row, Vic held another blood donor clinic. . . I defy anyone to call Mr. Olsenberg a clot — you should have seen him bleed. Vic also held a penny day in which all proceeds went to the crippled children. This drive corresponded to that of Roy's. Vic's own barber, who made a fortune off his customers once he got them in the barber chair. His persuading line was "Don't loose your hair over a few pennies". Probably the highlite of our high school career is right now, our graduation. At this time I see fitting to leave you with the immortal words of the Mahareeshee, "He who leaves the dance early, might have wished he had danced all night."

CITY FOOTBALL CHAMPS

THEY'VE DONE IT AGAIN!

Two years in a row, our powerful Redmen with big Chief Dean have shown Edmonton who's tops in football. Our Senior Redmen displayed fine sportsmanship and great ability to win when they walloped the Bonnie Doon Lancers at Clarke Stadium. Congratulations to the team and their fine coaches — Mr. Dean and Mr. Munro.

We have many teams here at Vic — and behind each of them is a dedicated coach. Bob Dean has been here at Vic for three years, and during this time he has coached volleyball and football. For the past two years, the Vic Redmen football team has won the City Championship; this year, the Senior Volleyball team won the City and Provincial Championships. It is not surprising that Mr. Dean coached these two teams so well, for volleyball and football have long been a part of his life.

Upon graduating from high school in Pittsburg, Mr. Dean was offered two scholarships: one for music (violin) at Carnegie Tech., and a second at Maryland University for football. After serving in the army during the Korean War, Bob Dean returned to accept his scholarship at Maryland. The years after university were spent in professional football on such teams as the Washington Redskins, Edmonton Eskimos, Green Bay Packers, and Montreal Alouettes. In the 1954 Grey Cup Game, Mr. Dean kicked the convert that won the cup for the Edmonton Eskimos.

In 1958, professional football was replaced by teaching. At Donnan Junior High School, Mr. Dean coached the volleyball team to the City Championship four years in a row.

Then Vic got him. Without Mr. Dean, the athletic aspect of our school activities would never have been the same. We thank him. Next year, Mr. Dean is going back to university to take Education Administration. We wish Mr. Dean the very best in the year to come — and we hope to see his face once more in the halls of Vic in 1969.

To be on the track and field team, a person must be willing to devote a lot of time and energy. Many Vicites were ready to do just this. Their efforts did not go to waste, as was evident by the number of Vic competitors who reached the City and Provincial finals. In the City Track Meet, the standings were:

JUNIOR GIRLS: discus — Kelly Mickle, first
 SENIOR GIRLS: shot-put — Corinne Johnstone, fourth

long jump — Marg Zima, second

440 relay — Cheryl Stillwell, Janice Woroschuk, Debbie Yanew, Marg Zima; third

JUNIOR BOYS: 880 — Ross Munro, third
 mile — Ross Munro, first
 100 yd. dash — Dave Fennel, fourth

220 — Dave Fennel, fourth
 440 — Lee Walker, first

shot-put — Ron Lundquist, first; Dennis Ostrowerka, fourth

discus — Gordon Osborne, fourth

INTERMEDIATE BOYS: mile — Keith King, fourth
 pole vault — Allan Pickering, first

SENIOR BOYS: 220 — Rick Farlinger, second
 440 — Jim Coughlin, third
 hurdles — Lem Mundorf, second
 long jump — Alan Spady, second
 triple jump — Alan Spady, first
 440 relay — Rick Farlinger, Bohdar Jereniuk, Lem Mundorf, Alan Spady; fourth
 open mile relay — Don Demchuk, Mike Lupart, Jim Coughlin, Paul Stachnik; third

Competitors who got first or second in their events, went on to the Provincial Finals which were held in Calgary. The standings were:

Marg Zima — on Sr. Girls' relay team — first

Ron Lundquist — Jr. shot-put first

Ross Munro — Jr. mile — first. Ross also set a new record.

Dave Fennel, Lee Walker — on Jr. Boys' relay team — second

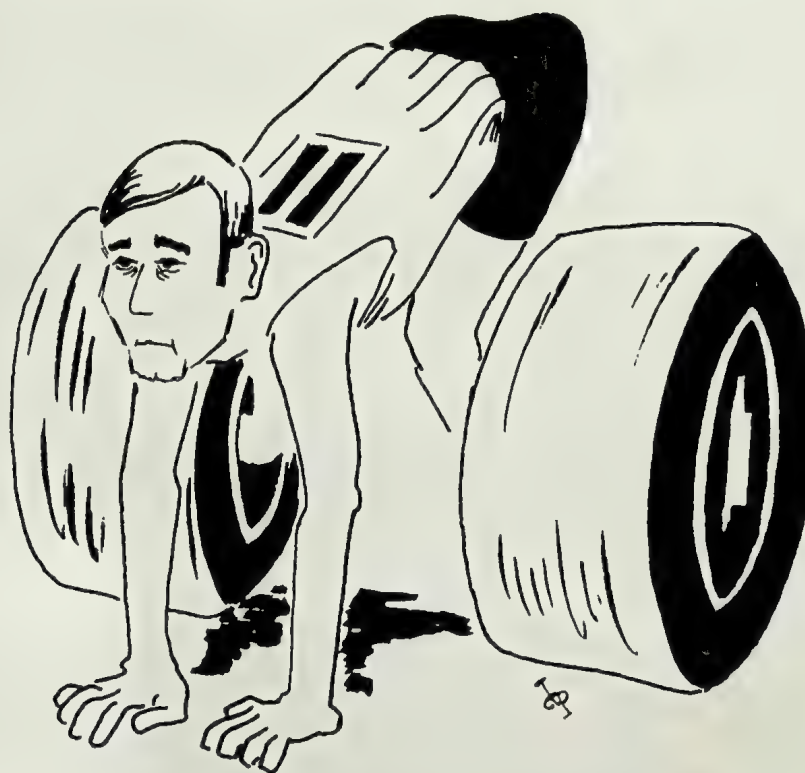

Lee Walker — Jr. 440 — fourth

Lem Mundorf — Sr. hurdles — third

Rick Farlinger — on Sr. Boys' Relay team — second

Alan Spady — Sr. triple jump — first

CONGRATULATIONS to all the competitors for a fine performance!
